

Affiliate Program Terms

These Affiliate Program Terms (this “Agreement”) form a binding contract between you (“you,” “Affiliate”) and Amulets Labs, LLC, a Delaware limited liability company (“Amulets,” “we”). This Agreement governs your enrollment in and use of the Amulets Affiliate Program (the “Program”) and is supplemented by the Amulets Terms of Service and Privacy Policy, which are incorporated by reference. By enrolling in the Program or using a Referral Link issued by Amulets, you agree to this Agreement. The Amulets Terms of Service govern matters not specific to the Program; this Agreement governs Program-specific matters and controls in the event of conflict on Program-specific matters.

1. Definitions

“**Account**”: your active Amulets user account in good standing with completed KYC.

“**Amulets Card**”: the prepaid payment card made available to Amulets users in supported jurisdictions, as described in the Amulets Terms of Service.

“**Affiliate Dashboard**”: the in-app or web interface where Amulets publishes Tier status, Referral Link analytics, Reward accruals, payout history, restricted marketing terms, brand assets, and Program communications.

“**Referral Link**”: the unique URL or code assigned to you for tracking Referred Users.

“**Referred User**”: a person who creates an Account through your Referral Link.

“**Qualified Referral**”: a Referred User who completes KYC and reaches Qualifying Spend within the Qualification Window.

“**Qualifying Spend**”: cumulative purchases of US\$100 or more by the Referred User using the Amulets Card, excluding any amount later reversed, refunded, or charged back.

“**Qualification Window**”: thirty (30) calendar days starting on the date the Referred User creates the Account.

“**Reward**”: any payment, credit, bonus, or cashback payable under this Agreement, including the One-Time Reward, Speed Bonus, Commission, and Card Cashback.

“**SOL**”: the native digital asset of the Solana blockchain, used as the unit of crediting for Rewards.

“**Application Form**”: the application form published in the Amulets Affiliate Dashboard that you must submit to be considered for promotion to Tier 2 Creator or Tier 3 Ambassador. The form collects audience verification information (community type, public URL, follower count, crypto

focus, motivation, and prior referral experience) and is reviewed manually by Amulets. Submitting the Application Form is a pre-condition for promotion to Tier 2 or Tier 3, except in the case of Tier 3 promotion granted by direct invitation from Amulets, where the Application Form may be waived at Amulets' discretion.

“Tier”: your participation level (Tier 1 Starter, Tier 2 Creator, or Tier 3 Ambassador).

“Commission”: the ongoing, performance-based payment owed to you, credited on each settled, non-reversed transaction made by a Qualified Referral attributed to you, at the Tier percentage set forth in Section 3. The Commission for a given transaction is determined by Amulets in good faith in accordance with its standard internal accounting practices; the methodology is confidential and will not be applied retroactively in a manner that reduces Commissions already credited. Commission is performance-based compensation contingent upon and proportionate to each specific verified transaction by the Referred Users you brought to the platform; it is not a share of Amulets' overall profits, dividends, or distributions, and is not paid out of Amulets' net income.

“Reference Rate”: the volume-weighted average price of SOL/USDC across the two reference venues identified in the Affiliate Dashboard, sampled over the sixty (60) minute window ending at the time of crediting; if both venues are unavailable, Amulets determines the rate in good faith.

2. Eligibility

To enroll in and remain in the Program, you must (i) hold an Account in good standing with completed KYC, (ii) be at least eighteen (18) years old, (iii) not be a resident or tax resident of the United States, and (iv) not be located in a Restricted Jurisdiction or otherwise prohibited from participating by Applicable Law, sanctions programs, network rules, or our Issuer's requirements. Geographic and identity eligibility under (i), (iii), and (iv) is established and enforced through your existing Account KYC; participation in the Program does not require a separate KYC submission. You authorize Amulets to deny enrollment, suspend, or terminate your participation, and to claw back any Rewards credited, where KYC information indicates you are not eligible. Employees, contractors, officers, and immediate family members of Amulets are not eligible except where expressly authorized in writing. You enroll in your individual capacity; your enrollment, Tier, and Referral Link are not transferable.

Tier 1 Starter is automatic upon use of a Referral Link issued from within the Amulets app and does not require an application. Tier 2 Creator requires submission and approval of the Application Form, in addition to meeting the performance criteria set forth in Section 3. Tier 3 Ambassador also requires submission and approval of the Application Form, in addition to meeting the performance criteria set forth in Section 3, except where Tier 3 is granted by direct invitation from Amulets, in which case the Application Form may be waived at Amulets' discretion.

3. Tier Structure

3.1 Tier 1, Starter. Available automatically to any Account holder. One-Time Reward of US\$5 in SOL per Qualified Referral and Card Cashback of 0.5%. No Commission, no Speed Bonus.

3.2 Tier 2, Creator. By application, subject to approval (typically within seventy-two (72) hours). Eligibility requires (i) a minimum of fifteen (15) lifetime Qualified Referrals generated under Tier 1, (ii) a verified social audience of at least one thousand (1,000) followers across one or more public platforms, (iii) a sustained conversion rate of at least five percent (5%) over a rolling ninety (90) day window, and (iv) submission and approval of the Application Form. One-Time Reward of US\$5, Speed Bonus of US\$3 if the Referred User reaches Qualified Referral status within seven (7) calendar days of Account creation, Card Cashback of 4%, and Commission of 20% credited on each settled, non-reversed transaction made by your Qualified Referrals, as set forth in Section 5.

3.3 Tier 3, Ambassador. By application or by direct invitation from Amulets. Application eligibility requires (i) a minimum of fifty (50) lifetime Qualified Referrals generated under Tier 1 or Tier 2, (ii) a verified social audience of at least five thousand (5,000) followers across one or more public platforms, (iii) consistent quality performance (sustained conversion rate of at least three percent (3%) over a rolling ninety (90) day window), and (iv) submission and approval of the Application Form. Where Tier 3 is granted by direct invitation, the Application Form may be waived at Amulets' discretion. One-Time Reward of US\$5, Speed Bonus of US\$3, Card Cashback of 5%, and Commission of 30% credited on each settled, non-reversed transaction made by your Qualified Referrals, as set forth in Section 5.

3.4 Promotion and Demotion. Tier promotion is reviewed periodically and is not automatic in all cases. Tier 2 may be demoted where the rolling ninety (90) day conversion rate falls below 5%; Tier 3 may be demoted where it falls below 3%. Rewards are calculated based on the Tier in effect at the time the Reward trigger occurs. Each Affiliate may hold only one Tier at a time. Tier percentages will not be reduced retroactively for an Affiliate.

4. Attribution and Qualification

Attribution is single-touch and final at the moment of Account creation. The Referred User is attributed to the Affiliate whose Referral Link was used. Last-click reassignment, retroactive transfer between Affiliates, and manual attribution adjustments are not permitted, except in the case of provable error documented by Amulets. Traffic generated by automated means (bots, scrapers, click farms, auto-clickers, cookie-stuffing) and any Account creation arising from such traffic are excluded from Attribution and from any Reward, regardless of subsequent Qualifying Spend.

Qualifying Spend must be reached within the Qualification Window. The Qualification Window does not reset and is not extended. Only purchases settled and not subsequently reversed, refunded, or charged back count toward Qualifying Spend; internal transfers, top-ups, and on-

platform conversions do not count. Self-referral, multi-account abuse, and concentration of more than three (3) Referred Users associated with the same device fingerprint or IP address are void and disqualifying.

5. Rewards and Payments

5.1 Crediting. Rewards are denominated in U.S. dollars and credited in SOL to your internal Amulets wallet at the Reference Rate at the time of crediting. You bear the market risk of any subsequent change in the value of SOL. The One-Time Reward and Speed Bonus are credited within a reasonable period after the Referred User reaches Qualified Referral status, typically within five (5) business days. Commission accrues and is credited on a per-transaction basis: each settled, non-reversed transaction by a Qualified Referral generates a Commission credit to your Amulets wallet promptly after settlement, typically within five (5) business days. There is no monthly aggregation, payout cycle, or minimum threshold applicable to Commission crediting.

5.2 Commission Calculation. For each settled, non-reversed transaction made by a Qualified Referral attributed to you, Amulets computes the Commission for that transaction at your applicable Tier percentage (20% for Tier 2, 30% for Tier 3) and credits it to your Amulets wallet promptly after settlement. The methodology used by Amulets to compute the Commission for a given transaction is determined in good faith in accordance with its standard internal accounting practices and is confidential. Commission is not a share of Amulets' overall profits, dividends, or distributions, and is not paid out of Amulets' net income; it is performance-based compensation contingent upon and proportionate to each specific verified transaction by the Referred Users you brought to the platform. Reward calculations performed by Amulets are final, subject only to recalculation, withholding, or adjustment to reflect chargebacks, refunds, fraud losses, or other reversals attributable to your Qualified Referrals; any other adjustment requires written notice to you. Where you believe a specific Commission credit is in error, you may submit a written request for review to support@amulets.io, which Amulets will review in good faith.

5.3 Card Cashback. Card Cashback applies to your own purchases with the Amulets Card while your participation in the Program is active and is governed by the standard Amulets Card cashback rules.

5.4 Minimum Threshold and Hold-Backs. Amulets may apply a minimum payout threshold and roll undistributed amounts forward to the next cycle. Amulets may withhold any Reward credit pending review where fraud, chargeback, sanctions, AML, partner program, or quality concerns exist.

5.5 Clawback. Where Rewards have been credited and Amulets later determines that the underlying activity was ineligible, fraudulent, reversed, charged back, or otherwise in breach of this Agreement, Amulets may claw back the corresponding amount by debiting your Amulets wallet, by offsetting future Program payments, or by direct invoice with payment due within thirty (30) days. You consent to such offset and clawback as a condition of Program participation.

5.6 Backup Currency. If the Solana network suffers extended outage, if SOL is delisted by Amulets' liquidity Partners, or if continuing to credit in SOL exposes Amulets or its Partners to material legal or operational risk, Amulets may switch the crediting denomination to USDC or another stable digital asset on at least thirty (30) days' advance notice in the Affiliate Dashboard, or on shorter notice where required by law or partner program rules.

5.7 Tax Documentation and Taxes. You are solely responsible for the determination, declaration, and payment of any taxes arising in connection with Rewards, in any jurisdiction in which you are liable. Amulets does not provide tax advice. Where Amulets is required by Applicable Law to collect tax documentation (such as IRS Form W-8BEN, W-8BEN-E, or equivalent in other jurisdictions), withhold any amount, or report payments, it will request such documentation at the appropriate time and may withhold or report as required, and you authorize such collection, withholding, and reporting as a condition of Program participation. Tax documentation is collected post-approval where applicable, not at the time of enrollment.

6. Affiliate Conduct

6.1 Compliance. You will comply with all Applicable Law, the Amulets Terms of Service, and the rules of any platform on which you distribute the Referral Link. You will comply with Card Partner program rules, including restrictions on the use of certain marketing terms. The current list of restricted terms is published in the Affiliate Dashboard and is updated from time to time; you must conform promptly to any update.

6.2 Disclosure of Affiliate Status. You will clearly and conspicuously disclose your affiliate relationship with Amulets in any public communication that includes a Referral Link, in the manner required by Applicable Law in your place of residence and in any jurisdiction in which your audience is located.

6.3 No Financial Advice; Earnings Claims. You will not represent that Amulets, the Amulets Card, or any digital asset constitutes investment advice, a deposit account, a savings instrument, a registered security, or a guaranteed return product. You will not make claims about earnings under the Program (your own, other Affiliates', or typical) except by reference to dated examples published by Amulets, with a clear statement that past performance does not guarantee future results. You will not represent the Commission as a profit share, dividend, distribution of Amulets' net income, investment return, yield, or guaranteed payment, nor describe the Program in terms that suggest passive income, equity ownership, or any form of security interest in Amulets. References to your Program compensation must use the term "Commission" and must make clear that it is performance-based and contingent on the verified transactional activity of each Referred User.

6.4 Prohibited Conduct. You may not (i) use your own Referral Link or create or control multiple Accounts to refer yourself; (ii) promise compensation, kickbacks, or other inducements to Referred Users in exchange for signup or Qualifying Spend; (iii) distribute the Referral Link via spam or unauthorized channels; (iv) bid on Amulets trademarks in paid search, run

impersonation ads, or register domain names, social handles, or app names that include or imitate the Amulets name; (v) make false or misleading claims about the Amulets product or features; (vi) generate more than one hundred (100) Referred User signups within any seven (7) day period or refer users whose individual single-day Amulets Card spend exceeds US\$10,000 (such activity triggers automatic review); or (vii) promote the Program in connection with controlled substances, weapons, child sexual abuse material, unlicensed gambling, fraud or deceptive practices, or other unlawful activities.

6.5 Anti-Bribery and Non-Discrimination. You will not use any Reward, Referral Link, or marketing material to offer or pay anything of value to a government official, political party, or any other person in violation of the U.S. Foreign Corrupt Practices Act, the U.K. Bribery Act 2010, or any equivalent anti-bribery law. You will not promote the Program through targeting, segmentation, or content that discriminates on any characteristic protected under Applicable Law.

6.6 Brand Use. Amulets grants you a limited, revocable, non-exclusive, non-transferable license to use the Amulets name, logo, and approved marketing materials solely for the purpose of promoting the Program, in accordance with the brand guidelines published in the Affiliate Dashboard. You may not modify, distort, or co-brand the Amulets logo without prior written consent. All goodwill arising from your use of Amulets trademarks inures to Amulets. Amulets may require you to take down or modify any creative or copy that Amulets reasonably determines to be inconsistent with brand guidelines, regulatory requirements, or partner program restrictions.

6.7 Confidentiality. You may receive non-public information about Amulets in connection with the Program (including monthly performance reports and pre-release product information). You will hold such information in confidence, will not disclose it to any third party except as required by law, and will use it only for purposes of your participation. This obligation survives for two (2) years after termination.

6.8 Independent Contractor; No Authority to Bind. You enroll as an independent contractor. Nothing in this Agreement creates an employment, agency, partnership, joint venture, or fiduciary relationship. You may not bind Amulets, accept payments on its behalf, or hold yourself out as its employee, agent, or official representative.

6.9 Cooperation with Reviews. You will respond promptly to any compliance, fraud, or quality review requested by Amulets, and will retain records of communications, materials, and channels used in connection with the Program for at least two (2) years.

7. Suspension and Termination

Amulets may suspend, restrict, demote, or terminate your participation immediately if it suspects breach of this Agreement or Applicable Law; fraud, sanctions, AML, or security concerns; partner program or quality concerns; or for risk-management reasons, or if requested by a

regulator, law enforcement, Issuer, network, or Partner. During suspension, Reward credits may be paused. Upon termination, and subject to legal or partner program holds, Amulets will use commercially reasonable efforts to credit Rewards lawfully accrued and not subject to clawback. You may terminate your participation at any time by following the procedure published in the Affiliate Dashboard. Termination does not relieve either party of obligations accrued before termination, including clawback. The provisions of this Agreement that by their nature should survive termination will survive.

8. Privacy and Data Protection

Personal information processed in connection with the Program is handled as described in the Amulets Privacy Policy. Amulets Labs, LLC is the controller for that processing, except where Partners act under their own terms. You will not collect, store, or process personal data of Referred Users beyond what is strictly necessary to share the Referral Link. You will not represent that you process data on behalf of Amulets and will not transfer Referred User data to third parties. Amulets shares personal information with Issuers, program managers, custodians, processors, identity vendors, and other Partners to operate the Program. By participating in the Program, you acknowledge that personal data may be transferred to and processed in jurisdictions outside your country of residence, including the United States where Amulets operates, in accordance with the safeguards described in the Amulets Privacy Policy and on the lawful basis applicable under your local data protection law. Privacy inquiries: support@amulets.io.

9. Liability and Indemnification

9.1 Disclaimer. The Program is provided on an “as is” basis. Amulets disclaims all warranties to the maximum extent permitted by law and does not guarantee any specific level of earnings under the Program. Earnings examples published in marketing materials are illustrative only.

9.2 Limitation of Liability. TO THE FULLEST EXTENT PERMITTED BY LAW, AMULETS WILL NOT BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES, OR FOR LOST PROFITS, REVENUE, DATA, OR BUSINESS INTERRUPTION, EVEN IF ADVISED OF THE POSSIBILITY. EXCEPT FOR AMULETS’ GROSS NEGLIGENCE, FRAUD, OR WILLFUL MISCONDUCT, AMULETS’ AGGREGATE LIABILITY UNDER THIS AGREEMENT WILL NOT EXCEED THE GREATER OF (A) US\$1,000 AND (B) THE TOTAL REWARDS CREDITED TO YOU IN THE TWELVE (12) MONTHS BEFORE THE CLAIM AROSE.

9.3 Indemnification. You will indemnify, defend, and hold harmless Amulets and its officers, directors, employees, and agents from any claims, losses, liabilities, damages, costs, and expenses (including reasonable attorneys’ fees) arising out of (a) your breach of this Agreement, the Amulets Terms of Service, or Applicable Law; (b) any communication or marketing material you publish in connection with the Program; (c) your use of Amulets

trademarks outside the limited license in Section 6.6; or (d) your misuse of the Program. Your aggregate indemnification obligation is subject to the same cap as Amulets' liability under Section 9.2, except that no cap applies to claims arising from your breach of Sections 6.1, 6.4, 6.5, 6.6, or 8, where uncapped indemnification is preserved.

9.4 Force Majeure. Neither party is liable for delay or failure in performance (other than payment of finally accrued amounts not subject to clawback) caused by events beyond its reasonable control, including acts of God, war, sanctions, blockchain network outages, exchange halts, regulatory action affecting the Issuer or Card Partners, or labor disputes.

10. General Provisions

10.1 Governing Law and Arbitration. This Agreement is governed by the laws of the State of Delaware, without regard to conflict-of-laws principles. Any dispute arising out of or relating to this Agreement will be resolved by binding arbitration under the U.S. Federal Arbitration Act, administered by the American Arbitration Association in Wilmington, Delaware. You and Amulets may bring claims only in your or its individual capacity, not as a class or representative; you and Amulets waive any right to a jury trial. If the class waiver is held unenforceable as to a specific claim, that claim only is severed to court; the remainder of this Section continues to apply. You may opt out of arbitration within thirty (30) days of first accepting this Agreement by emailing support@amulets.io with the subject "Affiliate Arbitration Opt-Out." Either party may bring small-claims actions or seek injunctive relief in court.

10.2 Changes. Amulets may modify this Agreement, the Tiers, the Reward economics, or any operational parameter of the Program. Material changes will be communicated through the Affiliate Dashboard or by email at least thirty (30) days before they take effect, except where shorter notice is required by law or partner program rules. Continued participation after the effective date constitutes acceptance.

10.3 Notices. Notices to you may be provided electronically. Legal notices to Amulets must be sent to support@amulets.io or to Amulets Labs, LLC, 1111B S Governors Ave STE 37811, Dover, DE 19904, USA, and are effective on receipt. You consent to receive all Program-related disclosures and communications electronically.

10.4 Assignment. You may not assign this Agreement or any rights under it without our prior written consent. Amulets may assign this Agreement in whole or in part to an Affiliate or in connection with a corporate transaction.

10.5 Miscellaneous. If any provision is held invalid, the remaining provisions remain in effect, and the invalid provision is modified to the minimum extent necessary to make it valid. A waiver must be in writing. Headings are for convenience only. "Including" means "including without limitation." There are no third-party beneficiaries. This Agreement, together with the Amulets Terms of Service and Privacy Policy, is the entire agreement between the parties regarding the Program.
